Dear Sir/Madam,

I am writing to request permission to organise a **Coding and Innovation Workshop** as part of the NOVAS event. The event is tentatively planned for **10 October 2026** and is mainly intended for **1st-year students**.

The workshop will run for about 2 hours and will include simple coding activities, problem-solving tasks, and a few interactive sessions. The main aim of the workshop is to help students improve their basic programming skills, learn through practical activities, and feel more confident while solving coding problems.

The **registration fee will be ₹50 per student**. We will make sure that all the necessary arrangements are made properly and that the workshop does not affect the regular academic schedule.

We believe this workshop will be a useful and enjoyable learning experience for the students. Therefore, I kindly request you to grant us permission to organise the event.

Thank you for your time and consideration.

Yours sincerely,

Paruchuri Pranavi, 2620030409

K.L. Harshitha, 2620030091
